

# Dwight K. Thomas

Dwight Thomas is a kindle spirit that is a seeker of truth and knowledge in life. He believes we all should help and share with one another to enlighten each others' paths in life. God's light and guidance has lead his pathway to his diversified background. He has many endeavors and ventures he's involved with. In his career, he is a builder, developer executive with over 35 years of professional experience in residential, commercial, and industrial construction. He has served in the health care industry for the past 7 years with the Georgia Prostate Cancer Coalition. He is known for being extremely professional and personable with clients, associates and anyone whom he can help.

A native of Atlanta and product of Frederick Douglass High School, Mr. Thomas attended Tuskegee Institute/Tuskegee University – Tuskegee, Alabama. He next attended Southern College of Technology - Marietta, Georgia where he earned a Bachelor of Science - Construction, December 1991. He worked full time and returned to Southern Polytechnic State University - Marietta, Georgia where he next earned a Master of Science - Construction, December 1996.

He continued working as Senior Project & Program Manager, then promoted to Executive Level in management where he was the Assistant to the Executive Director of Facilities and Construction for a school system.

He began buying, renovating, building houses and strip malls which lead him to starting his own company. He has been self employed for the past 16 years. He is a member of the American Institute of Constructors and the Greater Atlanta Home Builders Association. He has a mentoring program guiding managers and builders for 19 years.

He is a member at Word of Faith Family Worship Cathedral. He has been a member of the Usher Ministry since 2005 and has been a Team leader the past 10 years. He served 3 years on (OLGE) Overcoming Lose Group Experience Ministry. He also has a mentoring program mentoring young managers and builders for 19 years.

Dwight's father had Prostate Cancer which lead his cause to join the Georgia Prostate Cancer Coalition, Inc. (GPCC) in 2013, a non-profit 501 (C3). He served on several committees and was asked to join the Board of Directors in 2014. He served a 2 year term as Vice President in 2015 and 2016. Since 2017, he is serving as President. The vision is **“To eliminate cancer deaths due to Prostate Cancer** and mission is **“To build awareness, provide education and implement initiatives to address Prostate Cancer in the initial and advance stages for the men of Georgia.**
